

Whisker Rescue is excited to introduce the "Cat Guardian Angel" Sponsorship Program. By becoming a Cat Guardian Angel for those still waiting ... you can make a meaningful difference in the lives of cats in need - one special cat at a time. These cats deserve every opportunity for love, compassion and a forever home and your gift of support for the cats in our care will help to make that happen. All it takes is a monthly pledge of \$25 per cat and you can sponsor as many cats and kittens as you like. (This also applies to our Purrmanent Residents!) Your name along with a picture of the kitty you have sponsored, will appear in a special section of our quarterly Mewsletter.
